

Women's Healthcare
OF EASTERN CAROLINA

Welcome to Women's Healthcare of Eastern Carolina!

Thank you for choosing us as your healthcare provider.

We ask that you complete the attached patient demographic, office policy, and record of release forms and return them to our office as soon as possible via mail, fax or in person. It will allow us to verify your health insurance benefits and obtain your medical records before your visit to our office. If we do not have your records before your visit, your appointment will be rescheduled. This is done in an effort to provide the best care for you and to minimize the time spent on your visit.

We also request that you bring an updated insurance card, photo identification, medication list including dosages, and a list of questions or concerns that you may have to your appointment.

If you have any questions or concerns, contact our office at 252-477-1001 and we will be happy to assist you.

Sincerely,

Women's Healthcare of Eastern Carolina
